

NEWS FROM FAITH MEMORIAL CHURCH ADMINISTRATIVE BOARD
May 2008

MEMBERSHIP RETENTION

Phone and personal visits are being made to members who have not attended for several months. This effort is being led by Twila Mathias.

BACKGROUND CHECKS

Safety of the children who attend programs at Faith Memorial Church is an important issue to the members of the Board. Recent media coverage has placed this issue in front of the public as they have reviewed the incident and arrest of a member from another local church. The members of the Board are working toward a policy that will effectively safeguard our children without hindering the possibilities of programs attractive to community families.

BOY SCOUTS

The Board approved signing a charter for a Boy Scout pack at the church. A Master and Assistant are in place. Watch the bulletin for further announcements about this new venture.

SENIOR PASTOR SEARCH

Resumes are being received through the West Central District Superintendent, Rev. Joe Duvall. Rev. Duvall continues to assist and offer guidance as the Board of Elders seeks God's direction to find the person intended to fill this role.

PRAYER VIGIL

A 24-hour prayer vigil is planned from June 9th through 14th. Sign up sheets will be available starting May 18th.

SEMINAR HOST

The Board agreed to serve as a host for a seminar about multigenerational differences, particularly as these differences relate to churches. More information will become available once the seminar is scheduled.

LOCAL PREACHERS' LICENSE

There was unanimous approval to grant Jeff Lutz a Local Preacher's License. This request will be placed before the membership for voting at the annual Business Meeting to be scheduled.
